Hi Bob,
Have you heard from Reckitt Benckiser? Have they filed a hearing request with the ALJ's office?
Thanks for any updates!!!!
Cynthia

Cynthia:

I've been asking myself the same question, although I'm hoping Reckitt's attorneys will send me a courtesy copy of whatever they file with the ALJ's office or that the ALJ's office will notify me when a hearing request comes in. A request for hearing is due on or before March 7th, and I'm guessing that 1) Reckitt will file a hearing request; and 2) the request will be filed sometime in the last week, if not the last day, for filing. I'll try and remember to let you know when I hear something, but it might be better if you bug me on March 6th or 7th. Feel free to call me at 202-564-5636 any time in early March if you're getting antsy - I think it's very unlikely a request will come in much before then...

Dear Rusty, Rick, and Bob,

I have been studying the federal register notice in hopes of learning how we can find out when (or if) Reckitt Benckiser requests a hearing on the rodenticide cancellation. Is there some way to get the news as soon as RB submits their request? I'm not sure how to monitor for this one....

Thanks!!

C.
